

Nomad Academy Overview

A microlearning platform for digital nomads

1. What is Nomad Academy?

Nomad Academy is a microlearning platform that delivers essential knowledge and skills every month to help you work independently of location, time, or organization.

2. What will you learn?

You will gain two main things: modern health knowledge and improved digital skills.

3. How do you learn?

You learn by watching short 5-10 minute videos repeatedly during your pocket of time, such as breaks or commuting.

4. Frequently Asked Questions (FAQ)

Q: Who is it for?

It is ideal for those aiming to become digital nomads or deepen their understanding in health and wellness.

Q: Is it beginner-friendly?

Yes. The content is designed so even beginners can learn by watching short videos repeatedly.

Q: How often are new videos added?

Approximately 15-20 new videos are added each month.

Q: Can I join from abroad?

Yes. As long as you have an internet connection, you can join from anywhere in the world.

Q: How much does it cost?

The monthly subscription fee is \$132 (tax included).
